GENERAL INFORMATION

This schedule of fees is designed primarily to give you an outline of the fees that are required in civil and criminal cases. The fees are established by the Illinois General Assembly and the Circuit Court Clerk is mandated to collect them. The fees of the St. Clair County Circuit Court Clerk are set forth in the 705 ILCS 105/27.1a and set by resolution of the County Board of St. Clair County in order to continue in effect.

In addition other specific fee's that are assessed are provided for in other sections of the Illinois Compiled Statues.

Fees are assessed upon disposition in criminal and traffic cases.
Civil cases are filed only if the proper fees are remitted at the time of filing.

The filing of cases by mail is permitted as long as the necessary documents are transmitted to the Clerk along with the proper fees.

All records except those impounded by statute or order of the court are open to the public during business hours.

The Circuit Clerk does not give legal advice or render opinions.

St. Clair County requires that the Illinois State Bar Number must be submitted on all pleadings of the attorney filing the pleading.

General Administrative order 03-48 effective January 1, 2004 states all bond refunds and gross proceeds paid to an attorney or firm will not be issued until the Firm's Federal ID number and Attorney's Social Security number is on file with the accounting division within the Circuit Clerk's Office pursuant to section 6045 (f) of the Internal Revenue Code.

Fee Waiver for Units of Government

No fee provided for herein shall be charged to any unit of state or local government or school district unless the court orders another party to pay such fee on its behalf. The fee requirements of this section shall not apply to police departments or other law enforcement agencies. In this section, "law Enforcement agency" means an agency of the state or a unit of local government that is vested by law or ordinance with the duty to maintain public order and to enforce criminal laws and ordinances.

Case Designation

The code letter used in case numbering and in statistical reports are selected from the following outline. The appropriate section of the circuit clerk's office pertaining to the designated cases is also shown.
